NATIONAL ARCHIVES MICROFILM PUBLICATIONS

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

NATIONAL ARCHIVES MICROFILM PUBLICATIONS

(1) *The Cherokee Nation* v. *The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees* v. *The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees* v. *The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than $1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determing the eligbility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records(filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

## Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

COURT OF CLAIMS

Rec. JAN 16 1909

REFER IN REPLY TO THE FOLLOWING:
613-1909.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

Muskogee, Oklahoma, January 11, 1909.

Mr. Guion Miller,
Special Commissioner of the Court of Claims,
#601 Ouray Building,
Washington, D. C.

Sir:

This office is in receipt of your letter of January 6, 1909 (A. L. S. #423), stating that Martha E., Louis N., James L. and Lear C. Leatherwood and Alice A. Holloway claim to be Cherokee allottees but that you fail to find them on the final rolls of the Five Civilized Tribes. You ask to be advised whether or not they are enrolled, and, if so, under what names.

In reply you are advised that the names of said persons do not appear upon the rolls of citizens of the Five Civilized Tribes. The records of this office show that Martha Elizabeth Leatherwood applied to the Commission to the Five Civilized Tribes for the admission to citizenship in the Cherokee Nation under the provisions of the Act of Congress of June 10, 1896, of, among others, herself and children, Louis Napoleon, James Lafayette and Lea C. Leatherwood and Alice A. Holloway,

and that said application was denied by the Commission, from which action no appeal was taken.

Subsequent to that time, Martha E. Leatherwood applied to the Commission for the enrollment of herself as a citizen by blood of the Cherokee Nation and her application was denied by the Commission under the provisions of the Act of May 31, 1900, and its action was approved by the Secretary of the Interior August 15, 1901.

Respectfully,

JOR(LS)

Applicant is a half uncle of Leander Vann (application #378), his half-brother, Stephen Walker, having been enrolled by Drennen, Del. 207, and his mother, Betsy Walker being enrolled by Drennen, Del. 206. While applicant does not name his mother as Betsy Walker, he names his brother Stephen Walker above referred to, and from application #378, it appears that Stephen Walker's mother was Betsy Walker, and Stephen and Betsy are put together in adjoining groups on the Drennen roll. In addition to this, claimant gives the names of his mother's half sister and brother, Na-sih and Jack, who were, as he says, the children of Ker-sker-leas-ke, and these names were all enrolled by Drennen, Del. 205 immediately adjoining that of Betsy Walker. Applicant's mother's sister, Cah-lah-noo-skee, and his mother's brother, Ta-cah-tau-cah are enrolled with their father, Wah-wan-se-te in Del. 7. Claimant in one of his applications, gives the name Wah-wan-se-te as the maiden name of his mother. Claimant is enrolled as a full blood by the Dawes Commission #17202.

SPECIAL REPORT

On the application of John Mathis, #1557.

---

In his application the applicant states that he was born in Gilmer Co., Ga. in 1864; that he claims his Cherokee Indian blood through his mother, Jane Mathis, whose maiden name was Jane McDaniel. He states that his mother was born in Cherokee Co., N. C. in 1836; that his mother claims her Cherokee blood through her father, John McDaniel. No information is submitted as to the date and place of birth of the said John McDaniel. In his testimony taken at Calhoun, Ga. on the 20th day of July, 1906, the applicant states that his mother and grandfather through whom he claims lived in Cherokee Co., N. C. in 1835; that in 1851 his mother was living in Union Co., Ga. and his grandfather was living in the Cherokee Nation in Indian Territory. The applicant states further in his testimony that his mother was enrolled in 1851 in Union Co., Ga. The applicant has a sister, Carrie C. Brackett, who resides at Gallisaw, I. T. (Appli. #8013) who states that her grandfather's name was Thomas McDaniel instead of John McDaniel.

A thorough examination of the Eastern Cherokee Rolls taken in 1851 fails to show the name of Jane Mathis. The applicant has two sisters and one brother who were old enough to be enrolled in 1851. Their names do not appear on any roll taken in 1851. The name of Thos. McDaniel, the grandfather of the applicant, does not appear upon any Cherokee Roll as the head of a family. In 1884 the applicant, his mother and his sister were enrolled by Easter, who gave the name of the ancestor on previous rolls as Thomas McDaniel. Granting

that Thomas McDaniel is the correct name of the grandfather of the applicant, the Thomas McDaniel enrolled in 1835 was living at that time in Cass Co., Ga., while the applicant states in his testimony that his grandfather was living in Cherokee Co., N. C. on that date. (See Misc. Test. P. 1302)

In the testimony of Sarah Brackett, a sister of the applicant, the following statement appears, "I was enrolled by the Dawes Commission, but they afterwards refused to allow my claim to stand and took all my papers. They claimed that I was an adopted citizen". (See Misc. Test. P. 2941).

As the names of the ancestors given by the applicant do not appear upon the Eastern Cherokee Rolls in such a way as to connect him with the Eastern Cherokee Tribe, and further, in his testimony fails to prove that he is a descendant by blood of Cherokees who were parties to the treaties of 1835-6 and 1846, his claim is hereby rejected.

R.B./E.

No.1557.

John L. Mathis, beingfirst duly sworn andexamined, deposes and says:

My name is John L. Mathis; I was born in Gilmor Co., Ga. 1864; I claim my Indian blood through my mother: I make no claim through my father: my mother was born in Cherokee Co., N. C. 1825; my mother got her Indian blood from her father, John McDaniel: I am unable to trace my ancestry further back than my grandfather, John McDaniel: I have never seen my grandfather: I have been taught that my grandfather was a full blooded Cherokee Indian; in 1835 my mother and grandfather through who I claim were living in Cherokee Co., N. C.; in 1838 my grandfather was living in the Cherokee Nation in Ind. Terr. and my mother was living in Union Co., Ga.: in 1851 my mother was enrolled in Union Co., Ga.: I think she was enrolled under the name of Jane Mathis: She was married at that time: I make no claim of Indian blood through my grandmother; none of the ancestors through whom I claim were ever held as slaves: none of my ancestors ever had an Indian name that I know of: in 1838 my father lived as a member of the tribe in N. C. and went east with the Indians when they left N. C.: my grandfather died while living among the Cherokees in the West.

SUBSCRIBED and sworn to before me, at Calhoun, Ga., this 6th day of July, 1908.

Assistant to Special Commissioner of the Court of Claims.

He moved est to la. in 1851 and then to a. and then back to l.. And then finally to Miss. where he died. He got his Indian blood through his father nd mother both. His fat her, Abe underburk, as 1/2 blood Choctaw, and he married my grandmother, Rachel underburk, who was Cherokee Indian. Abe underburk was born raised and died in S.C. Rachel underburk was born in Union County, S.C. and 1851 they both lived in Lancaster District, S.C. I do not kno whether they lived there as Choctaws or s Cherokees. ~~I think they~~ Abe underburk got his Indian blood through his father, Jake underburk, a ull blooded Choct . nd the statement in one place in y application that he as a full blood Cherokee is a mistake, ause no doubt y my ttorneys in writing up the application.

Dear Sir:-

Your favor of Nov. 29th to hand and carefully noted. Same being in regard to application No. 1562, of Mrs. Sarah Ann Wright, for participation in the funds arising from the decree of the Court of claims, in favor of the Eastern Cherokees, same to be filed in your department for Mrs. Wright and other parties. We have just had a talk with Mrs. Wright, who is the daughter of Jonas Funderburk, and she can not give us the information in regard to why her grand parents and parents were not enrolled in 1851. She, with her parents and other children, lived in South Carolina when she was quite small girl, and from what she can learn, at this late day, she can not give you the information as to why there was no enrollment. All of the information she has in her possession, or that she can obtain, from her brothers and sisters, was set out fully in her application above mentioned. Her parents have been dead for many years, and also her grand parents, and there is no one she can apply to for the information you desire. There is no question but what she is a decendent from the Cherokee indians,

and all her statements, and those from her brothers and sisters, as well as her children, are true, and that she is entitled to all the benefits of the Indian blood that she has inherited.

We will be glad to give you any and all information that you may desire, if same can be obtained. These good people are very poor and deserving of all that is coming to them, and we trust that your department will seen that justice is done them in this Allotment.

If there is anything else that we can do in this matter, or information that we can furnish you, please command us and same will have our prompt attention.

Trusting that you will give this matter your prompt attention, We are,

Yours very truly,

Commissioner of Indian Affairs,

Washington, D.C.

Dear Sir:-

On October 23rd, 1906, we wrote you, inclosing Application of Mrs. Sarah Ann Wright, for her share of monies belonging to the Eastern Cherokee indians. Up to the present time, you have not favored us with a reply to this letter, nor acknowledged receipt of the application. It now seems that this application should have been sent to the Office at Muskogee, I. T.,. But Mrs. Wright nor ourselves didnot have any instructions in regard to where to send the Application, and we naturally supposed that your Office was the right place, and that you will forward this to the Muskogee Office with proper explaination.

It is now too late for Mrs. Wright to make another Application and get it to Muskogee before Dec. 1st, as required by the Act of Congress.

Please look into this matter and find our letter of above date containing Mrs. Writes application and forward same to Muskogee Office, also write us fully in regrad to this matter, and what Mrs. Wright is to do to present her application in good standing before your department.

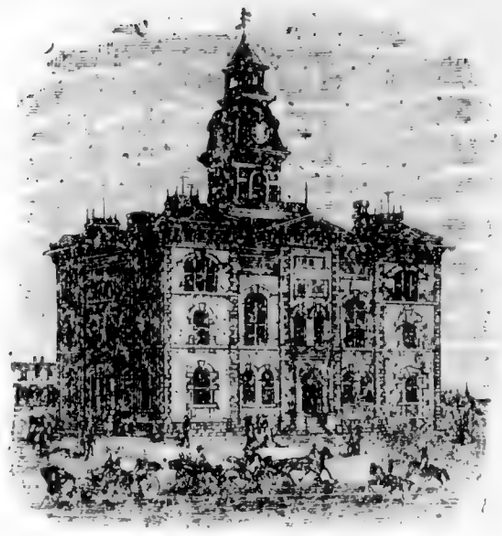

Asking an early reply, we are,

Yours very truly, Webb & Hill

Relative to right of Sarah Ann Wright to enrollment as an Eastern Cherokee.

Office, should have been forwarded promptly from the Washington Office to your Office at Muskogee. Will you kindly look into this matter and see what has become of this application.

Mrs. Wright has complied with the law in every respect, and has sent to the Department a valid Claim, and has proven up beyond a question her relationship to the Cherokee and Choctaw indians.

It is too late to get up another application and get it to you before Dec. 1st, as requested by the Act of Congress. As before stated, Mrs. Wright has sent in a complete application, and same should be now on file in your Office, and we trust that sending it to Washington instead of Muskogee has not in any way invalidated her claim.

Kindly take this matter up with the Office at Washington, also write us fully by return mail what Mrs. Wright is required to do under the present condition of affairs.

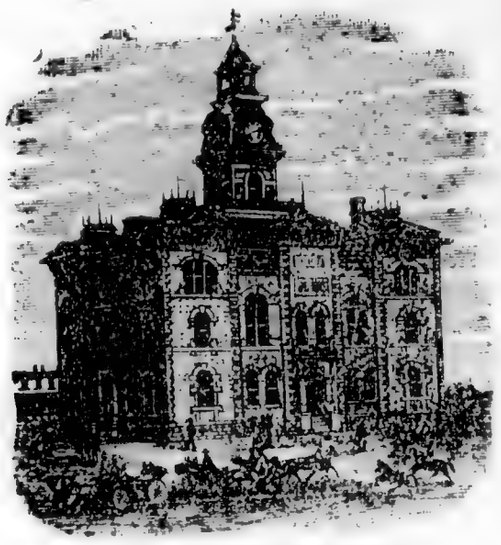

Mrs. Wright is a very deserving woman, and is very poor and needs what is coming to her, very badly.

We are not charging her one cent for helping her in this matter. Asking an early reply, we are,

Mary T. Webb,

Madam:-

Your letter of April 12, 1907, addressed to the Honorable Secretary of the Interior, has been referred to this office for reply, and you are advised that your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, was been received and filed as No. 1585, although said application was made out by you under your maiden name of Mary T. Graham, of Cobb, Indian Territory.

It does not appear that an application has been filed for Vina Terry.

Unless there is some special complication in your case this office does not deem it necessary for you to employ an attorney so far as your claim to share in the Eastern Cherokee judgment is concerned.

Very respectfully,

GH:NLC.

Chief Clerk.

App. No. 14094-11745. Dora Pennel. Misc.

Eliza Andre, being duly sworn, depo es and says:

My name is Eliza Andre. I am 61 years old. I live at Fort Gibson. I know Dora Pennel. She is about 34 years old. Her name was Dora French before marriage. She is a sister to Tom B. French. She was born and raised near Fort Gibson. In Illinois District. She was enrolled by the Dawes Commission but I do not know her roll number. She got the bread and strip money. She has never associated or joined any other tribe than the Cherokees. She is a Cherokee Indian. She gets her blood from both mother and father. Her mother was Alice Kell. She is dead; died more than 30 years ago. There are Thomas B. French and and James K. French, brothers to Dora Pennel having same mother and father. Alice Kell was and Old Settler and got her blood from her mother, Julia Rogers. She was an Old Settler. Alice Kell's father was James Kell. Julia Rogers was James Kell's second wife. She was the Old Settler. James Kell was an Emigrent. I don't know how long he has been dead, but I think he died during the war. He was born back East,- in Georgia or Tennessee. He came with the Emigrants sometime between 1833 and 1838. I don't know whether he was enrolled in 1851 but think that he was. James Kell was married twice. Dora Pennel is by his second wife. I don't remember who his first wife was. The children by his first wife are Louis, John, Connie and Joe; Louise, Frank or Frances and Nan or Nancy. The children by the second wife are Alice, Nate and Jim, Jr. Thomas Fox French was Dora Pennel's father. Dora Pennel's brothers and sisters are Bernice Howard, Mackie McDonald and Cricket or Minnie. Tom Fox French was probably not enrolled in 1851, being too young. His brothers were Robert French, Henry French, Mary French, Tom himself, and Gabble, and Joe and Dick, Gypsey a girl, and Jeff Pierce. He got his blood from his mother. His mother was Margret Crone Pierce and she was a Cherokee and Understand an Emigrant. She was born in the old country. She came about the time the Emigrants came in 1835 or 1838. She never associated with any other tribe. I don't know her parents' names. I understood that they were parties to the treaties of 1835-6 and 1846. It was always understood that they were Emigrants and I understood as Emigrants got money. I never heard the old folks say whether they got any. James Kell had brother Dave Kell. Louise Gillespie is a daughter of James Kell. James Kell did not have any Indian blood that I know of. I think the Franklin and Kells were on the 1851 Roll.

Sir:-

In Filing my Emigrant Cherokee application sometime ago, I did not give my own name, or claim for my personal share; since that time I have ascertained, that my name appeared on the roll as Anderson Benge, Jr. I had been informed of this fact before, but was not positive of it, as I was borned on Sept. 9, 1851.

I was afterwards named "Oce P. Benge". I suppose the name of Anderson was only given to me because I was a mere infant at the time of the making of the 1851 roll; and from the further fact that my Cherokee name was identical with that of my father, Anderson Benge.

As a matter of further identification, I would state, that I am the son of Anderson and Susan Benge, nee Foreman, and the brother of James F. Benge.

Hon Guion Miller

Dear Sir:

Receipt is acknowledged of your letter of 16th Inst in reference to my Eastern Cherokee claim App. No 1616. You say that their names as spelled in the application do not seem to be on the Rolls. My father was a Corporal in Co F 3rd Indian Home Gds. and he enlisted under the name of Cornelius. (no other name) His Indian name was Car-nelee. My mothers name was "Nattie" My Grandfather on fathers side was Yo-nah My Grand Mother on fathers side was Nannie My Grand father on mothers side name unknown My Grand mother on Mothers side was named Rachel The reason I believe that they were on the Roll of 1851 is because they were brought to this Country with the Eastern Cherokees, and were both old enough at that time to be on the 1851 Roll.

My parents died when I was very young and I never knew much about their ancestors. Full blood Indians in that day and time were very little civilized: most of them only had one name, and did not keep records of births + deaths as they do now. If there is any other information I can give you please let me know at once.

Yours truly Polly Williams

Madam:

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, you state your father and mother were on the Roll of 1851. Their names, as spelled in the application, do not seem to be on the Roll, and I therefore write to request that you furnish this office with the reasons for thinking that they should be on the Roll. In your reply please state and carefully spell both the English and Indian names, if you know them, of your father, mother and grand-parents.

An early reply will be appreciated.
